Ref: Govt. order 9293-1, dated 19.3.31 directing me to appear before the medical Board madras.

I beg to state that I appeared before the medical Board on the 31st march 1931 and my medical examination was over on the 1st of April 1931.

Even though it is over a fortnight since I was examined by the Board, I have heard nothing as yet about my Commutation.

As per Conditions of the Govt. order quoted above, if it should so chance, I do not get the full amount mentioned therein, I beg to submit that any sum less than Rs 5000/- will not satisfy my present needs.

I therefore pray that a sum of Rs 46/- (Forty six) may be taken for purposes of calculating my Commutation as set forth in my application for Commutation: and this act of great kindness I shall as in duty bound ever pray —

From the applicant of 15/4/31

Medical Bd's report (Recommended with 5 years' addition of age)

Accts-Genl's report (amount = ~~Rs~~ 5624-14-0)

The applicant has twice raised the amount of pension to be commuted to Rs 46 for which the Accts-Genl has reported the capitalised value. From the portion A of the petition on p.8 ref. it seems clear that he is willing to accept the reduced amount consequent on the addition of age recommended. It therefore seems unnecessary to get his acceptance of the reduced amount. A draft order sanctioning commutation is submitted

2. The Medical Board has not noted on its report that it has seen the invaliding certificate at the time of examining the applicant. ~~It may be desired that the Board's opinion be noted. A proforma to the Board is also submitted.~~ The Medical Bd has examined the applicant with reference to the disability - diabetes for which he was invalided. Please see portion A of the remarks of the Medical Bd on 12 Oct. In these circumstances it seems unnecessary to insist on the formality of the certificate that the Board has seen the original invaliding Certificate.
